

Class Guidelines

- Classes are available by enrollment and are geared toward competitions and performances. Drop ins are available at the instructor's discretion. Please contact the front desk before dropping in to try a class.
- Participation in any Youth Musical Production or the Youth Dance Ensemble is by audition only.
- For early childhood dance (25 months old through kindergarten) placement is determined by age as of the first day of each semester.
- Registration in Level 2 classes or higher may require teacher approval. If students are not performing at the level of the class, they may be moved to the appropriate level.
- For the safety of your child, please pick up your dancer inside the building after class. Please be on time to pick up your child.
- Adults and siblings must remain in the waiting area during class. For the safety of students and instructors group classes are closed rehearsals only. Parents are welcome to sit in the first class only if need be.
- Youth Performances: all students are required to attend every class, be prompt and participate on a regular basis in order to perform.
- Classes run 50-55 minutes to allow for passing time between class groups.
