

## Performances

We have two recitals per year in December and June. Details about costumes and costs will be distributed in class.

During the year, many of our students have opportunities to participate in activities such as master classes, community performances and other Top Billing showcases and main stage musical performances.

We encourage all students to take advantage of these opportunities. Information including costs and entry fees etc. will be provided in advance of each event.

Students will also be given opportunities to attend dance competitions as well.
